ELDERTON WINES (NSW ONLY)

BAROSSA VALLEY, SOUTH AUSTRALIA

Winemaker: Jules Ashmead and Brock Harrison

www.eldertonwines.com.au

From very humble beginnings, Neil and Lorraine Ashmead took a massive leap of faith to relocate their young family to the Barossa and rescue a derelict old vineyard. This vineyard has plantings dating back to 1894 and continues to produce great fruit for Elderton Wines more than 40 vintages on. The second generation took the reins of the business in 2003; brothers Cameron and Allister believe very strongly in continuing the traditions that began a generation earlier, on the Nuriootpa vineyard. The Ashmead family also has vineyards at Greenock and in Eden Valley, showcasing the diverse regionality that exists within the Barossa. The wines from Elderton's estate vineyards are enjoyed globally for their richness, vibrancy, and uniqueness. They are celebrated for being traditional examples of the best of the Barossa.

BUD BURST

BAROSSA VALLEY, SA
Winemaker: Peter Pollard

'Budburst' refers to the first emergence of new grapevine shoots in early spring, signalling the beginning of the all-important growing season for vignerons. The wines are styled for maximum drinkability, with both flavour intensity and fine, approachable tannin structures.

THE WILLOWS VINEYARD

BAROSSA VALLEY, SA

Winemaker: Pete Scholz and Jack Scholz

www.thewillowsvineyard.com.au

The Scholz family vineyard starts in 1936, with the planting of Semillon and Shiraz and has been added to over the years by successive generations. Their Northern Barossa location is distinguished by its cooling gully breezes, which sees gradual ripening and a clearer expression of flavour in red wines and lifted varietal fruit characters in whites. The Willows vineyard ranges from deep alluvial soils to red brown loam over clay and tough sandy soils where old shiraz vines produce premium quality fruit.

ZEMA ESTATE (NSW ONLY)

COONAWARRA, SA
Winemaker: Lewis White
www.zema.com.au

Zema Estate is a true Coonawarra family winery, forged in Australia but based on the undeniable passions and traditions of its Italian heritage. Over four decades it has developed a reputation for producing premium quality Coonawarra Cabernet Sauvignon and Shiraz, with a consistency that defies vintage and seasonal fluctuations. It has achieved this through attention to detail – hand pruning, careful fruit selection, meticulous viticulture, passionate winemaking, diligent bottle ageing and a deep respect for the place and provenance of Coonawarra.

LINO RAMBLE

MCLAREN VALE, SA

Winemaker: Andy Coppard

www.linoramble.com.au

A sense of nostalgia encapsulates the business name of Lino Ramble, Lino from the floor covering and Ramble for the adventure – reminiscent of childhood enthusiasm and excitement when taking a risk and trying something new for the first time.

Based in McLaren Vale. Lino Ramble has partnered with a handful of forward-thinking growers to bring some of their favourite hot climate grapes to McLaren Vale, including Grillo and Arinto – both of which are firsts for McLaren Vale. Selecting single vineyard sites, varieties have been chosen with a focus on sustainability, intrigue and above all else, drinkability. The wines are hand made without the cloak of new oak, overt extraction or additions and with an emphasis on fruit characters being the star of the show, texture is king, and the winemaking fingerprint kept to a minimum.

ANGAS & BREMER

LANGHORNE CREEK, SA

Winemaker: Peter Pollard

www.angasandbremer.com.au

Angas & Bremer takes its name from the two rivers revered as the heart and soul of our region, where vines were first planted over 150 years ago. Despite our long and distinguished history, Langhorne Creek is often regarded as Australia's best kept wine secret. Our aim is to produce consistent and approachable wines that are a testament to both the fruit and the region. This starts with the strong relationships we have formed with local Growers, who understand that quality wine starts in the vineyard.

CHAIN OF PONDS

ADELAIDE HILLS, SA
Winemaker: Greg Clack
www.chainofponds.com.au

The picturesque Adelaide Hills township of Chain of Ponds was established as a friendly watering hole and resting place for weary travellers. The region enjoys a unique combination of elevation, fertile soils, and a cool climate; perfect for producing refined and elegant wines. The Adelaide Hills range wines are delicate and stylish and the Single Vineyard Series wines reflect the unique terroir of each individual site. Chain of Ponds wines are grown rather than made, with uncompromising quality being the absolute aim.

GREAT SOUTHERN, WA
Winemaker: Robert Diletti
www.3drops.com

3drops is situated at Mount Barker, in the heart of Western Australia's Great Southern region. Here the vines and olive trees flourish side by side in the rare cool climate. It began with a family farm and a vision - to produce premium wines and extra virgin olive oil whilst maintaining the integrity of the land for generations to come. The original 3drops vineyard comprises 15 fertile hectares planted with varieties of Riesling, Sauvignon Blanc, Nebbiolo, Merlot, Cabernet Sauvignon and Cabernet Franc. The 1982 planted Patterson's vineyard, part of the 3drops estate since 2007, is home to Pinot noir, Chardonnay and Shiraz. 3drops melds time honoured tradition with contemporary style to produce wines with distinctive varietal and regional characteristics.

SNAKE + HERRING

MARGARET RIVER, GREAT SOUTHERN, WA

Winemaker: Tony Davis

www.snakeandherring.com.au

An adventurous Western Australian producer with a bold, boundary-pushing approach to winemaking. Known for their site-driven, small-batch wines, Snake + Herring has built a reputation for quality, creativity, and integrity. After over a decade of sourcing standout fruit across the state, they've now deepened their commitment by farming their own vineyards: Three Bears (organic in conversion) in Yallingup and Little Wildberry (certified organic) in Wilyabrup.

Their regenerative farming practices and instinctive, hands-on winemaking bring out purity, texture, and place in every bottle. With a refreshed label and renewed energy, Snake + Herring continues to craft wines that are polished yet provocative, made with humility, humour, and heart.

SPIKEY BRIDGE VINEYARD

TAMAR VALLEY, TAS

Winemaker: Jeremy Dineen

www.broadarrowwines.com.au

Spikey Bridge Vineyard is situated in the idyllic wine growing area of Launceston's Tamar Valley, Tasmania. The Vineyard was established in 2010 when Ros and Martin Rees purchased an early planted property in Relbia. Since that time the vineyard has matured with lots of tender loving care and become further established with additional plantings. Spikey Bridge Vineyard is centred around family, and Ros and Martin Rees are thrilled to be in partnership with Katie and Jeremy Dineen in creating our friendly but mature tasting wines.

The wines are made exclusively from the renowned convict travelled property of Spikey Bridge Vineyard in Relbia, Tasmania. Spikey Bridge Vineyard is bounded on the old Midlands Highway by the Kerry Lodge Bridge, also known as Strathroy or Spikey Bridge. Spikey Bridge is one of Australia's oldest surviving convict bridges built in 1835 and still in use today. The Spikey Bridge Vineyard is surrounded by convict history, this land was used and travelled through by those people, likely using the water from Jinglers Creek to bathe in - the same creek that provides water for the vines on this fantastic historical site.

Broad Arrow Wines is a celebration of convict history and nearly two centuries after their hardship and despair, the winery is using the broad arrow to point you on a journey of hope and excitement as they capture the natural flavours of this ancient island.

KELLYBROOK

YARRA VALLEY, VIC

Winemaker: Stuart Dudine

www.kellybrookwinery.com.au

The first winery in the Yarra Valley region to open a cellar door, Kellybrook Winery is a family operated business. Family has always been the backbone of Kellybrook, and as a small business, we pride ourselves on crafting everything in house. From viticulture to sparkling wine and table wine production, the Kelly family has an unwavering focus on quality.

Three generations of Kelly's now live and work on the property producing small batch wines including Méthode Traditionelle sparklings, Chardonnay, Pinot Noir, Cabernet Sauvignon and Shiraz.

Siwa is the original name that Alfred Kelly gave the Kellybrook property on Fulford Road in Wonga Park that he and Inez bought back in 1935. He named it such because of its beauty and sense of peacefulness which was like that of the Egyptian oasis called Siwa in the Western Desert that he rested at during WWII. We have named our vineyard, planted in 1975, to honour this history.

Being estate-grown, managed and at the home of the Kelly families, it has also come to be referred to lovingly as the "home vineyard".

For over 100 years farmers around the small township of Toolleen broke their backs working this land, not giving much thought to the terrain on the ridge line, dismissing it as useless farming other than sheep grazing. Little did they know this land would become the heart of the Heathcote wine region, where Shiraz vines thrive, sending their roots deep into the famous red Cambrian soils, producing wines of incredible intensity. The farmers of yesteryear would have loved it, and we trust you will too.

PATCH WINES

YARRA VALLEY, NAGAMBIE, and PYRENEES, VIC

Winemaker: Matt Talbot & Kirilly Gordon

www.patchwines.com.au

Patch Wines is a collaboration between Kirilly Gordon and Matt Talbot that came to life after a brief stint working together in the Yarra Valley before Covid struck. When a patch of vines laden with ripe grapes turned up with no home to go to, it seemed like an excellent idea to turn them into wine!

The grapes for Patch Wines are chosen from hand-picked, acclaimed vineyards and are made with the intent to have minimal intervention. The approach involves a harmonious blend of listening to the flavors and ferments, guided by intuition and a profound understanding of the science behind winemaking. The goal is to craft wines that are honest, well-made, delightful, and serve as an inspiration for those who indulge in their richness.

ROULEUR WINE CO

YARRA VALLEY / WHITELANDS HIGH PLATEAU & MCLAREN VALE

Winemaker: Matt East

www.rouleurwine.com

Matt East grew up in the Yarra Valley and worked alongside his father in the family vineyard from a young age. He dedicated 10 years to viticulture with a focus on Pinot Noir and made wine in the shed as a junior. He further honed his skills in local wineries during vintage and eventually left the Yarra Valley to study, travel and pursue a career in the broader wine industry.

Matt's been a cyclist all his life and his love affair with the bike matches a passion for making wine from exceptional sites in The Yarra Valley and beyond. Rouleur (noun - Roller) was inspired by the vineyards explored while riding - but for Matt, cycling was never 'just a ride' more a journey of discovery.

All Rouleur fruit is handpicked and sorted, with the Yarra Valley whites being crafted using a combination of whole bunch pressing and destemming for partial fermentation on skins. The Rouleur red wines are largely fermented with whole berries intact, while whole bunches are opted-for when site, vintage and style dictate accordingly.

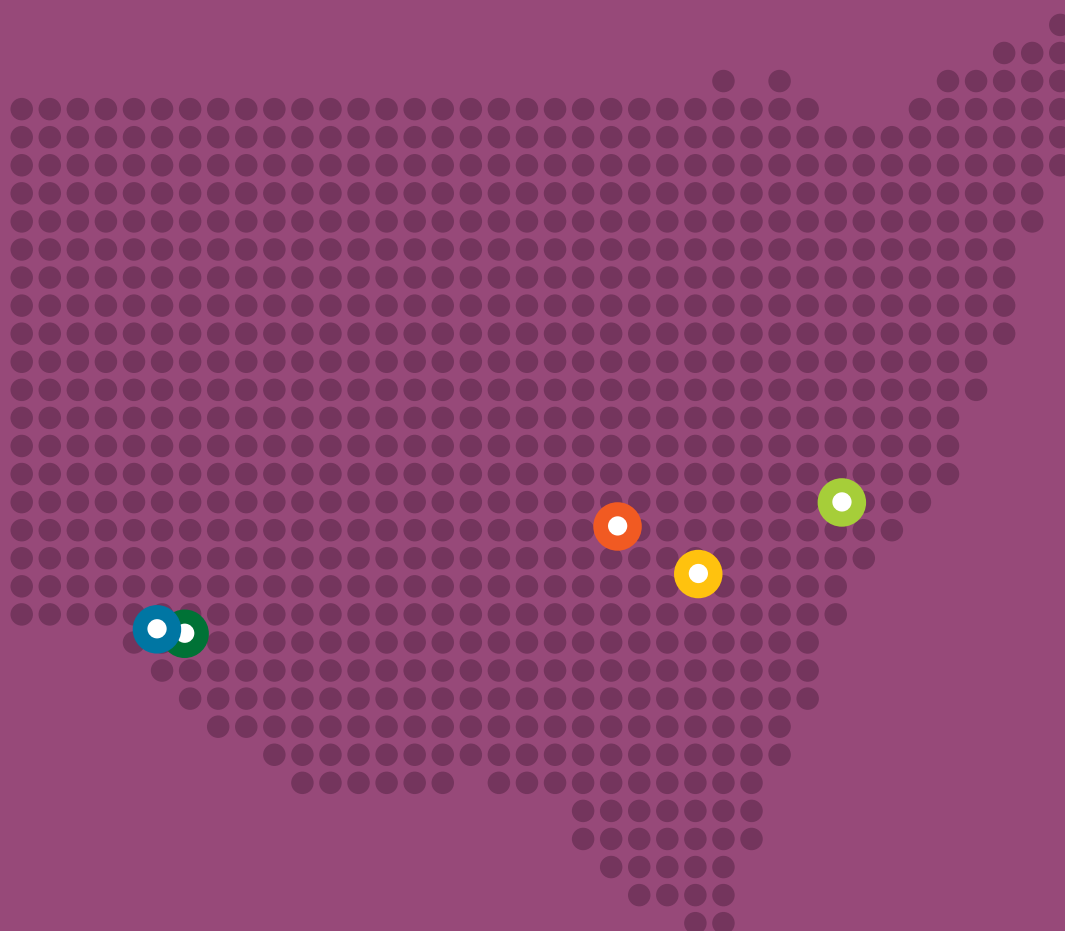

The Rouleur wines are ever evolving but one thing stays constant - a commitment to quality in bottle, reflective of each vintage year - all made possible by hard working people, working exceptional sites. These people are the farmers - grape growers, or as Matt explains the 'true Rouleurs' of the wine industry.

HALF SISTER

MURRAY DARLING, NSW

Winemaker: Anthony Murphy

www.halfsister.com.au

Half Sister Wines is founded by sisters Adele and Renee—best friends, busy mums, and lifelong wine lovers. As their families grew and life shifted, they recognised the need for great wine without the pressure of opening a full bottle. Their solution: expertly crafted Australian wines in perfectly portioned 375mL bottles. Raised amongst the vineyards as daughters of award-winning winemaker Anthony Murphy of Trentham Estate, they learned the craft from the ground up. Their collection reflects the care, patience, and passion they grew up with—delivering exceptional quality in a convenient half size. Pour, sip, and unwind.

Winemaker: Anthony Murphy and Katherine Hynes

www.trenthamestate.com.au

The winemaking philosophy at Trentham Estate has always been to produce high-quality varietal wines at an affordable price, with an emphasis on full fruit and palatability. Over the years Trentham Estate has produced a good balance of classic wine styles mixed with a number of alternative varieties. Anthony has a passion for producing wines true to their natural varietal character, as well as experimenting with grape varieties that are lesser-known yet likely to thrive in the Mediterranean climate. Mildura and the Murray Darling wine region are known for.

Winemaker: George Elworthy

www.thebetterhalfwine.com

The Better Half wines are grown and made in Marlborough, at the top of New Zealand's south Island; the edge of the earth, home to dreamers, pioneers and aviators. It's the place that put a tiny south pacific nation on the world wine map: a region of sunny, dry, summers and crisp, clear winters creating the perfect growing conditions for our tiny, delicious parcels of happiness. We pour our love for the land and the fruit we grow into creating wines to share amidst the banter and laughter with friends and family.

DUBLIN ST WINES

MARTINBOROUGH, NZ

Winemaker: Ross Mackay

www.dublinstreet.co.nz

DUBLIN · ST

Dublin St is a family-run vineyard and winery located on Dublin Street in Martinborough wine village, New Zealand. Martinborough is renowned for producing world-class Pinot Noir. During years spent working in offices in Sydney, Ross and Eva dreamed of returning to the land and growing food. Upon trying a bottle of Martinborough Pinot Noir, they found their calling. When an established vineyard and winery on the south side of town became available, Dublin St became a reality.

Their days are now dedicated to growing and producing exceptional-quality single vineyard Martinborough Pinot Noir with provenance. From tending the vines, to hand-picking the fruit, to handcrafting the wine in small batch ferments - all viticulture and winemaking is carried out by Ross and Eva on-site. The wine is sustainably grown and made, using low-intervention techniques both in the vineyard and winery. In an increasingly mechanised industry, Dublin St retains traditional methods.

At Dublin St the provenance of every bottle is guaranteed. Our wines are an authentic expression of the site and showcase the distinctive qualities of Martinborough Pinot Noir.

PARITUA

Paritua, located in the heart of the Hawke's Bay Wine Region's 'Bridge Pa Triangle' District, pays tribute to the Paritua Stream, symbolizing its connection to the land and people of New Zealand. Established in 2003, the vineyard spans 53 hectares, with 70% dedicated to red varieties like Cabernet Sauvignon, Syrah, Merlot, Cabernet Franc, and Malbec, complemented by Sauvignon Blanc and Chardonnay.

The stony, free-draining soils, long summers, and crisp winters create exceptional wines. Designed by architects Crosson Clarke Carnachan, the winery emphasizes bold, sustainable architecture that blends seamlessly with the landscape. Paritua is certified sustainable by SWNZ and BioGro Organic, reflecting its commitment to environmental stewardship.

Woong Tree has quite a story! While working in the United Kingdom but yearning to return home to New Zealand, Steve and Thea Farquharson, along with Jane (Steve's sister) and Geoff Bews, decided to join forces and find an ideal spot in Central Otago to make wine. In 2002 in Cromwell amidst their newly acquired land full of trees, the unknowing owners learned one of these trees had quite a romantic history. The ancient tree, known as the "Woong Tree," commanded a place in local lore as a lovers' rendezvous. This solved the problem of coming up with a vineyard and wine label name – if only the tree could talk!

The Cattin family established in Alsace in 1720 and immediately started to grow vines. Today the family (Jacques Cattin Sr, Jacques Cattin Jr and Jean-Marie Cattin) owns a bit more than 60ha of vines; and are one of the largest family-owned wineries in Alsace. Because the vineyards lie on the foothills of the Vosges, the altitude of the plots varies from 200 to 400m. Most of them face the south-east and thus get maximum sunlight, which makes the grapes incomparably ripe and complex.

Winemaker: Jean-Luc Durand

In the 14th century, when the Popes held court in Avignon, every winegrower in Provence awaited one festival above all others. Each year, this day was honoured as the occasion when the Pope's sommeliers selected the cuvées worthy of being served at the papal table for the year ahead. The "Les Bastilles" collection draws its inspiration from that exacting tradition, the careful selection of a region's finest cuvées and from the very festival that first set Provence on its path to vinous renown.

CHÂTEAU GALETEAU

BORDEAUX, FR

Winemaker: Antoine Artigue

This micro vineyard owned by the Artigue family, surrounded by Crus Classés Barde Haut et Clos de Sarpe is located in the heart of the vineyard of Saint-Emilion, on the famous clay-limestone plateau. In the cellar, the work is divided into parcels and the winemaker intervenes as little as possible, to best express the specificities of the terroir. Prior to becoming a vineyard and winery, Chateau Galeteau started out as a farm in the 1600s. At the time, the estate was better known for the production of agricultural products. In fact, the chateau, which continues to maintain the look of a 17th-century farmhouse was built in 1658, making it one of the older chateaux in Saint Emilion that is still in use today. Today, Chateau des Laudes is owned by the Artigue family. The wine produced on this property, a former 17th-century farmhouse, will only appeal to discerning wine lovers.

CHÂTEAU LYS DE MAISONNEUVE

BORDEAUX, FR

Winemaker: Thomas Rospars

The property stands on the rich limestone plateau on the border of the Saint Georges Saint Emilion appellation and around 1Km from the Barbanne river which delivers blue clay to the Pomerol appellation. The soil here is identical to that of Chateau Soutard.

The appellation is known for its deep limestone from its ancient seabed which the roots have to penetrate to access the clay below. It is no wonder that this is the former domaine of the Lacoste family who owned Petrus. The vines were destroyed by frost in 1956 and replanted in 1957 so the vines are around 60 years old.

Emiliano Falsini's philosophy, that is creating wines which are true to their terroir, is achieved through use of natural techniques and yeasts to bring out the fruit, mapping each individual estate to find out what the best techniques will be. He describes himself as intuitive but when you have this much analysis into the individual property, it means his decisions are measured. Both Maria Fittipaldi and Emiliano Falsini agree that wine should be made with no artificial stabilisers in order to have the finest expression of fruit.

URMENETA

CENTRAL VALLEY, CHILE
Winemaker: Mauricio Gonzalez

Founded in 1860 by José Tomás Urmeneta, a visionary industrialist and philanthropist, Viña Urmeneta is one of Chile's oldest and most respected wineries. Urmeneta, a prominent figure in Chile's industrial rise, helped position the country as the world's top copper producer in the 1860s. His legacy of progress and care for his workers is reflected in the winery's enduring values. Today, that spirit lives on in a focused selection of wines that speak to both heritage and quality.

Between 1869 and 1901, Viña Urmeneta gained international recognition, earning gold and silver medals in 11 global competitions. Today, the winery honours its founder's pioneering spirit and enduring values—his image on the label, gazing toward the horizon with a telescope, symbolizes a commitment to excellence, vision, and tradition that continues to define the legacy of Viña Urmeneta.
